

Endeavour Multi-School Trust
Scheme of Delegation
December 2018

Structure for Endeavour MAT

Members are guardians of the vision and values and can appoint or dismiss Trustees.

The Trust Board is the strategic authority for the Trust as a whole.

The CEO is responsible to the Trust Board for the standards and outcomes in the schools. She is an ex officio Trust Board member. The CEO and Trust Board Chair have the right to attend any meeting pertaining to the governance of the MAT.

The Heads of School are line managed by the CEO and are responsible for the standards and outcomes of their school. They sit on the Local Governing Body of their school.

Local Governing Bodies have the strategic leadership and monitoring role for their own school but must act within the policies and expectations set by the Trust Board.

1. Formation of the Trust

Endeavour MAT was formed in January 2017 and consisted initially of Wilmington Grammar School for Boys (WGSB) and Wilmington Grammar School for Girls (WGSG). The Trust built on the close working relationship of the two schools and the joint Sixth Form known as WG6. From September 2019 Stone Lodge School will be the third school to join the Trust. The Trust will consider approaches from other schools to join Endeavour MAT in due course but expects to remain a small collaboration of like-minded schools within a tight knit geographical area. The capacity to maintain high quality provision for our students will be the determining factor in whether to expand further. Each School has a Local Governing Body and Headteacher with delegated responsibility for the day-to-day operations. They report through the CEO to the over-arching Trust Board, which is responsible for the success and wellbeing of all schools within the Trust and for the strategic direction of the collaboration.

2. Vision and Values

The Trust shares a belief that students can be helped to achieve the highest possible educational standards in a supportive and respectful environment, where emphasis is placed on equipping students to develop resilience so they can assume their future roles with confidence in an ever changing environment. Staff can also expect to work hard but will be developed and supported in their performance and career aspirations.

3. Introduction to Trust and Local Accountability

3.1 Endeavour MAT is the responsible body for all the schools in the Trust. The Secretary of State for Education has entered into an agreement with Endeavour MAT to run the schools in the Trust and therefore the Endeavour MAT Trust Board is responsible for the standards and operation of all schools in the Trust.

3.2 The Trust Board may delegate the authority to make certain decisions to a Local Governing Body or other committee, and must approve the membership and proceedings of any Local Governing Body or committee, with due regard to the requirements of the Articles of Association of Endeavour MAT.

3.3 Only the Trust Board can take decisions on the delegation of powers, including the establishment of Local Governing Bodies or committees, the approval of terms of reference, the appointment of trustees and governors (with the exception of elected parent or staff governors), or non-governors to any committees, or the delegation of any powers to a Local Governing Body or committee or an individual (for example, the Chair of the Endeavour MAT Trust Board, CEO, chair of the Local Governing Body or the Headteacher), or any changes to previous agreements. The Trust Board must also review the terms of reference, constitution and membership of any Local Governing Body, committee or sub-committee annually.

3.4 The Trust Board will establish a Local Governing Body in each school, with agreed delegation arrangements. The Local Governing Bodies may establish sub-committees for the purpose of agreeing the Head Teachers' Pay recommendations for staff, or addressing student exclusion hearings etc. The Local Governing Body must also review the establishment, terms of reference, constitution and membership of any committee or sub-committee annually. The membership of any Local Governing Body committee may include associate members, provided that a majority of members of the committee are governors. Each committee must have a chair, who is either appointed by the Local Governing Body or elected by the committee. The Trust Board may remove the chair of a committee from office at any time.

4. Appointment of Local Governing Bodies and Committees

4.1 The delegation arrangements should be kept under constant review, and should be approved each year with regard to each member School, (usually in the first Trust Board meeting in the autumn term). Good practice requires the Trust Board to consider the delegation arrangements at least annually.

4.2 The Trust Board or Local Governing Body may appoint non-directors and non-governors to any of the committees providing that, on committees of the Trust Board, trustees form the majority of voting members of the committee, or in the case of Local Governing Bodies, governors (a) form the majority of the members of the committee; (b) are in the majority at any meeting of the committee; and (c) take the chairmanship of the committee. In addition, the Local Governing Body may, if it wishes, enable any of the non-governors to be *voting* members of the committee.

4.3 Neither the Trust Board nor any committee with delegated powers of governance may contain more than one third members who are Employees of the Trust.

5. Retention of Powers

5.1 Some key decisions cannot be delegated and must be taken by the Trust Board. In these cases the Trust Board may still ask a person or a working group to consider issues and make *recommendations* to them, as long as the full Trust Board takes the decision. This is also true for the Local Governing Body, where some key decisions cannot be further delegated and must be taken by the Local Governing Body. Again, the Local Governing Body may ask a person or a working group to consider issues and make *recommendations* to them, so long as the Local Governing Body takes the decision. The Trust Board and local governing bodies should take care to distinguish between committees which have delegated powers and working groups/parties or informal groups which do not.

5.2 The Trust Board is the employer of all staff and therefore is the final appeal body in matters of pay and staff discipline. Decisions relating to staff dismissal and appeals must be referred to the staff discipline committee and staff appeal committee. Appointments other than for senior staff will normally be handled within the School or school and delegated to the appropriate level. All senior staff appointments will involve the CEO and Head of School and will fall within the approved staffing complement and pay structure of the Trust.

5.3 The Trust Board is the admissions authority for all schools in the Trust.

5.4 The Trust Board will agree the final budget for each school.

5.5 The Trust Board may delegate such authority as it deems appropriate to a Local Governing Body but the Trust Board remains collectively and personally responsible for every decision made by the Local Governing Body.

5.6 Consequently the Trust will not:

(a) fetter or restrict its own ability to withdraw such delegation at any time, with or without notice; or

(b) delegate authority to a Local Governing Body to:

- set a budget without the approval of the Trust Board
- appoint or remove a Head of School (though the Local Governing Body will be consulted)
- appoint or remove a Chair or Vice Chair of a Local Governing Body
- suspend or remove a Local Governing Body Member
- act in a way inconsistent with any of the Trust's published policies and procedures
